# ***THE PERFECT OUTDOOR EQUIPMENT***

*Adventure doesn't have just one meaning. For some, it's tackling the unknown, challenging the elements. For others, it's simply travelling new roads, tasting unusual flavours, seeing faces and horizons as yet unknown. Tuareg is ready to meet your needs. As the best outdoor equipment, it was designed and developed to tackle any condition, so as not to limit your idea of adventure, no matter what that may be.*

# ***ENGINEERED FOR ADVENTURE***

The beating heart of Aprilia Tuareg is its 660 cc engine, compact, lightweight and technological. It has been designed to meet your every need and to give one hundred percent in off-road riding, thanks to dedicated elements such as the oil sump, redesigned to increase height off the ground, the new fluid dynamics, which provide more torque at low and medium revs, and an average range of 450 km. Is that enough to satisfy your craving for adventure?

- \\ 660 CC ENGINE
- \\ 80 HP AND 70 NM OF TORQUE
- \\ REDESIGNED OIL SUMP

## ***SHAPED TO FIT***

Lightweight, but not fragile, technical, but not complicated and above all, functional to support your craving for exploration without being a limitation. Frame in steel tubing and aluminium plates for a heavy duty structure with 6 anchoring points between frame and engine. Suspension system with long travel to absorb every bump, ideal seat-footpegs-handlebar triangulation both for upright and seated riding.

Aprilia Tuareg offers you a world of experiences: exploring, travelling, discovering. With the dedicated range of accessories, your Tuareg is already equipped for your next adventure. If you love being "on the road", Tuareg becomes the perfect traveller, thanks to its two options to increase cargo capacity, its comfort saddle, and its oversized windscreen. If, on the other hand, thrills are not measured by the number of miles travelled, take your adrenaline to the limit with the rally saddle, the dedicated exhaust, and the quickshifter. Maximise technology by installing the exclusive Aprilia MIA platform for flagship infotainment. [optional]\*
